

# 4th FIG Young Surveyors European Meeting

Amsterdam, June 08, 2016

# 4th FIG Young Surveyors European Meeting

Amsterdam, June 08, 2016

 4th FIG  
Young Surveyors  
European Meeting  
Amsterdam  
7-9 June, 2016

# Welcome

On behalf of:  
Chryssy Potsiou, President of FIG  
John Hohol, President of FIG Foundation

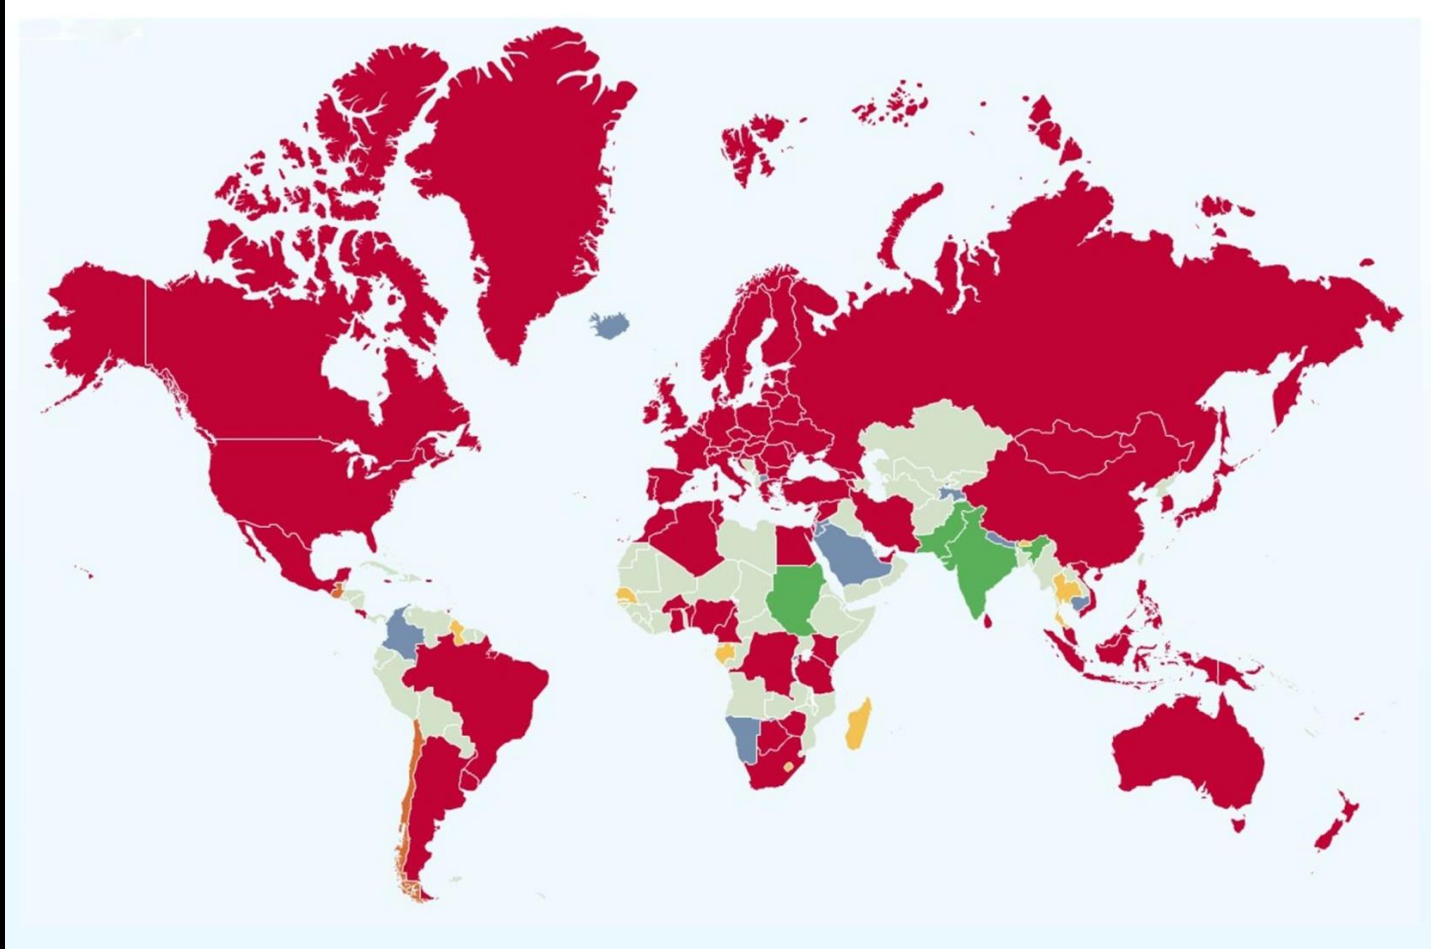

International Federation of Surveyors  
Fédération Internationale des Géomètres  
Internationale Vereinigung der Vermessungsingenieure

## What is FIG?

FIG was founded 18 July 1878 in Paris  
It is a federation of national associations  
and is the only international body  
that represents all surveying disciplines

# FIG World Map

Representing over 300 000 surveyors in over 120 countries

Ten commissions lead FIG's technical work

Each member association appoints  
a delegate to each of the commissions

Detailed information on the  
work of the commissions  
can be found at

[www.fig.net/organisation/comm](http://www.fig.net/organisation/comm)

- FIG e-newsletter

[www.fig.net/resources](http://www.fig.net/resources)

**Young Surveyors can participate in  
FIG activities and are invited and encouraged  
to become involved in  
any of FIG's ten commissions  
where its technical work is done**

## **A critical time for FIG and surveyors**

**Average age of surveyor worldwide = 54 years old**

**Young surveyors represent the  
future survivability of  
the global world of surveying**

# FIG Needs the Young Surveyors

# FIG welcomes you!

- Your enthusiasm
- Critical views
- Social media and networking skills
- Your questions
- Power to change things
- Your spirit, your 'fire'
- Your needs and professional struggles

# Why join?

- Networking
- Presenting your ideas
- Presenting your research
- International exposure
- Explore and enhance your organizing skills
- Get international recognition
- Fun and very rewarding!

The FIG Foundation is an independent body under the International Federation of Surveyors

The Foundation was established for the purpose of raising funds to finance surveying education, development projects and supporting young surveyors in order to build a sustainable future

The FIG Foundation  
has supported and sponsored young surveyors  
since the establishment of the  
FIG Young Surveyors Network in 2006

**Celebrating 10 years of support!**
