International Construction Measurement Standard (ICMS)

- ICMS was successfully launched on 27 July 2017 in Vancouver, Canada in conjunction with the PAQS Congress.
- Trustee of ICMS Coalition had reconstituted the Standard Setting Committee (SSC)
- SSC has been mandated to look into the 2nd Edition of ICMS incorporating Life Cycle Costing.
- I will be speaking on ICMS at the Plenary Session on 8 May 2018.

BUILDING INFORMATION MODELLING (BIM)

- A similar workshop is being held in Istanbul at FIG Congress 2018.
- A Round Table discussion with practitioners and vendors of BIM will also be held.
- “BIM for Surveyors” will also be published in the second half of 2018.

Education and Research

- **Commission 10 has developed the core competency standard for the QS/CE profession. This is in the final process of printing. Copies will be available on Wednesday, 9 May 2018.**
- **It is hope that this guide will help some FIG member countries to develop the program or course in QS/CE.**
- **We also hope to develop similar guidance for Project Management.**
